

Raynham Primary school visit to the Art Department – 30th June 2017

21 Gifted & Talented students from Raynham Primary School (Years 3-6) visited the Expressive Arts show of GCSE and A level Art, Photography and Textiles work.

The students were met by Ms J Shilvock and Miss J Eden who gave a tour of the show, along with activities about the work. The students were then delivered a polyprint workshop by Mrs S Jimenez and supported by Miss J Eden. The students made individual polyprints of fruit and vegetables onto tissue paper backgrounds.

The theme supported their current Primary school work on healthy eating. The individual prints will be made into large framed pieces that will be presented to the school and used for display.

Ali Gezginel, a former Art student from ECS, showed his biro illustrations of famous actors and sports personalities. He also talked about his career into the Arts and how he now works in the Art department of an Advertising Agency.

We thank the teachers from Raynham Primary School: Miss G Fox (also a former Art student from ECS), Miss R Lefley and Ms J Murtagh for making the day so successful.

We hope to do this again next year.

Mrs S Jimenez

Head of Art - Expressive Arts Faculty

Miss R Lefley, Ali Gezginel (former ECS student) Miss Fox (former ECS student) Ms J Murtagh
