

Celebrating **SUCCESS** at Edmonton County School

CELEBRATING SUCCESS IN THE TRANSITION PHASE

On the last day of term thirty Year 7 students were selected by Miss Shore and Miss Roberts to attend a reward trip to Go Jump In in Enfield. They were chosen for their great effort in lessons, academic success and their attendance.

The students that attended had a great afternoon not only jumping but swinging on the trapeze, knocking each other off of the battle beam, attempting awesome tricks on the giant air bag and testing their balancing skills on the twist ladder.

A well-deserved fantastic day was had by all.

Miss A Shore

Year 7 Lead - Bury Campus

YTA at Edmonton County School

I am part of the Youth Travel Ambassador team at Edmonton County School and I want to tell you about our experience as a YTA.

Twelve Year 7 students were chosen back in February to take part in this workshop which lasted three weeks. The workshop was run by Zak, a Project Manager from Transport for London, he is also an ex student of Edmonton County. We were shown a PowerPoint and video which demonstrated some of the good and bad behaviour we might see on a bus. We came up with some of our own scenarios, discussed different ways of reacting in situations that might take place on a bus and did some role plays around how to stay safe. We were asked to deliver a Transition Assembly about TfL and how to behave on public transport; for example: buses and trains. The audience were intrigued throughout the assembly.

What we have taken from the experience is that we need to be well behaved on public transport and to be polite to the bus driver transporting you to wherever you are going.

Miss Jean, a Cover Supervisor said *"what a fantastic assembly"*

Bridgette Bempah

Year 7 Student - Bury Campus

"What a fantastic assembly!", Miss Jean
