

Primary PE and Sport Premium Funding 2017-18

DEPARTMENT FOR EDUCATION VISION FOR THE PRIMARY PE AND SPORT PREMIUM

ALL pupils leaving primary school to be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

What is PE and Sport Premium?

The primary PE and sport premium was introduced in March 2013 to improve the provision of physical education and school sport in primary schools across England. The £150 million per year funding is provided jointly by the Departments for Education, Health, and Culture, Media and Sport (DfE, DH, DCMS). The funding is allocated directly to primary schools and is ring-fenced. This means it may only be spent on improving the provision of PE and sport in schools. In February 2014 the government committed to continue the funding until 2020.

It is expected that schools will see improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
