

Jack Petchey Achievement Awards 2019

The Jack Petchey Achievement awards are given every year to students who have done something that needs to be recognised and rewarded within our school community. The following students have been selected by Faculty teams to win an award for their achievements and dedication at school and they are all very deserving winners

Cansu Gedik- Year 13

Cansu is a dedicated and hardworking student who has gone the extra mile on many occasions during her 7 years at Edmonton County School. She can be relied on to support and promote the Expressive Arts Faculty during open evenings, taster sessions, curriculum evenings and school community events, developing her confidence and public speaking abilities. Cansu is dedicated and meticulous in her approach to her subjects, making sure all receive a similar amount of time and 'juggling' 3 creative subjects at once. Consequently, she has secured both conditional and unconditional offers at universities to study Architecture due to the strength of her work.

Laurel Anadaraj - year 10

Consistently hard working with impressive homework submission rate. Coupled with a high level of classwork, she has risen from a mixed-low ability class from yr9 into a set 1 class in GCSE chemistry. Laurel has also managed to keep her scores impressive by managing to keep in the top10% of scores (which is a high performing group). Finally she had stated how much she hated chemistry – but actually enjoys it as one of best subjects. This suggests she is intellectually stimulated and makes her best effort to persevere.

Aysegul Askar - year 11

I nominate Aysegul Askar for the passion and dedication she has demonstrated in her Art GCSE projects this year. Aysegul goes above and beyond to explore and experiment with her ideas and has a confident contextual understanding of how to explore her own artistic styles through the artists she is influenced by. Aysegul isn't afraid to take creative risks and regularly asks for feedback on her work which allows her to develop her ideas successfully as well as challenge her skills. As well as being a determined art student, Aysegul is a positive, friendly and outgoing student who is a pleasure to teach.

Oana Groza – year 11

Oana Groza has made amazing progress in Maths over the two years she has been with us. She joined Edmonton County School from Romania in Sept 2016 in year 9. She struggled with English as an additional language but has worked hard and has been successful in overcoming this. Having taken the in-year admissions test, she was put into Set 6 for Maths but it quickly became clear that she was keen to learn and she pushed herself to do more. As a result, almost every term since she has moved up a set and she is now in Set 2 for Maths! She continues to do well and is among the top in the class here too.

Danyal Butt – Year 9

Danyal is a fantastic role model in languages. He is engaged in every lesson and complete both tasks and extensions to a very high standard. Danyal has the ability to learn new vocabulary and grammar structures very quickly. He can adapt languages successfully to express his own ideas and make the content of his answers interesting by using precise vocabulary and complex language.

Danyal completes all his homework and learns independently. He is able to explain to the group a specific grammar point and support students around when they need it

Danyal is working at the higher Tier Level of the course.

Krishma Kaur Bury year 8

Krishma is an incredibly motivated, enthusiastic and helpful student in DT, who only joined Edmonton County School at the beginning of year 8. She always arrives early and helps to set up the practical workshops, even when it is not her timetabled lesson. Krishma has grown in confidence this year; she regularly offers to assist peers with their practical work and can be counted to share her knowledge with peers during class discussions. Krishma has a keen interest in all things related to DT and Technology and will discuss this at length with peers and staff. Krishma has also returned to her previous school and assisted her DT teacher there with promoting DT to prospective students.

Jack Petchy Leaders award Congratulations to Miss HALIL-Student Manager

Miss Halil was nominated by her peers for a Jack Petchey Leaders award:

Emete has been a student manager to the upper phase for two years now and she has been supporting students at all times in the day to make sure that they are equipped for school, ready for learning and feel safe in school. She knows each student and develops personal relationships with each one of them so that they know there is always someone to go to when they need help. She works above and beyond her contracted hours to make sure that all is well for students. She contributes to the good order of the school by volunteering every lunch break to watch over students and she mediates with staff and students frequently to facilitate good relationships between these too. She exhibits a can do attitude and never gives up!

**CONGRATULATIONS TO ALL THE WINNERS WHO WILL ATTEND
THE JACK PETCHEY AWARDS CEREMONY IN SPRING TERM 2020**

Ms Shilvock
Head of Expressive Arts Faculty
Jack Petchey Co-ordinator
