Organisational Structure

The management structure consists of three tiers:

- Tier 1- the Board of Trustees of Edmonton Academy Trust,
- Tier 2- the Chief Executive and the Central Executive Leadership Team (CELT)
- Tier 3- the Local Governing Board for each school in the Trust, and
- Tier 4- the Leadership Team for each school in the Trust.

The aim of the management structure is to devolve responsibility via the Scheme of Delegation and encourage involvement in decision making at all levels.

Tier 1

The Trustees are responsible for general policy, adopting an annual plan and budget, monitoring the Trust by the use of results and budgets and making major decisions about the direction of the Trust, capital expenditure and appointments of staff at deputy head level and above. Dr Susan Tranter is the Accounting Officer and Chief Executive of Edmonton Academy Trust. Dr Tranter is Executive Headteacher of Edmonton County School.

The Trustees principal engagement is with the Chief Executive and other members of CELT.

Tier 2

When the Trust expanded to incorporate Lea Valley Academy, the Trustees approved the creation of a strategic management group known as CELT (Central Executive Leadership Team). This group comprises the Chief Executive, Headteacher of Lea Valley, Head of School of Edmonton County and the Chief Operations Officer. This group's remit is to:

- have strategic oversight of the schools
- plan for the future
- provide support and challenge to members of CELT
- act as a forum for discussion on key areas such as the drafting of Trust policies, identification of risk and risk mitigation, agreeing how GAG income is pooled and spent, identifying capital projects (including Condition Improvement Funding applications), identifying which areas of operation could be centralised to generate efficiencies etc.

During the year, Mr Paul Miller and Mr Stephen Kinson were appointed as joint deputy Chief Executive Officer. Mr George Georgiou was appointed a COO for the merged Trust in anticipation of the merger on 1 September 2019. Mrs Joanne Wilson was appointed as Chief Executive's PA and has responsibility for HR, recruitment and PA services.

Tier 3

Each school in the Trust has a Local Governing Board (LGB). The LGB has oversight of the operations of the school, led by a Chair of Governors, who is a Trustee.

The LGB's principal engagement is with the Headteacher and other members of the Leadership Team of the school. The LGB is responsible for monitoring the work of the school and the delivery of the school's progress plan.

Tier 4

Each school in the Trust has a Leadership Team that is led by the Headteacher assisted by deputy headteachers and assistant headteachers. This group is responsible for the operational delivery of the school's progress plan.
