

JACK PETCHEY ACHIEVEMENT AWARDS 2021

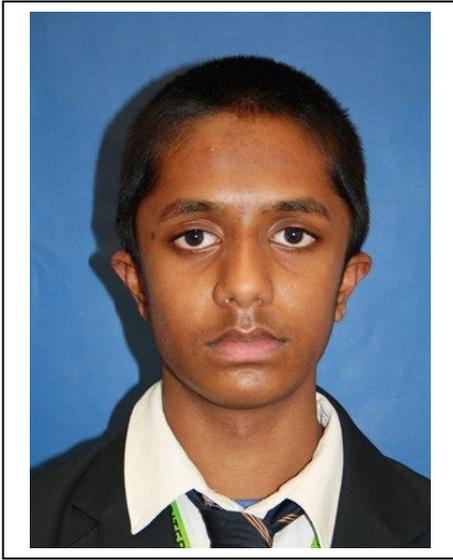

The Jack Petchey Achievement awards are given every year to students who have done something that needs to be recognised and rewarded within our school community. The following students have been nominated by their subject teachers to win an award for their achievements and dedication at school and they are all very deserving winners.

ELLEN JOANNOU

Ellen has shown excellent dedication and commitment to her Photography GCSE work. A very dedicated student who always works hard to achieve the best and challenge herself to try new techniques. A very organised student who always makes time for others and showing them what she can do to support them. A very lovely student to have in class –

Congratulations Ellen!

VARISH PERSAUD

Nominated For his outstanding effort and dedication in English both in school and during lockdown. His work is always exceptionally thorough and perceptive. He is also an extremely polite and thoughtful student!

Congratulations Varish!

AMY PANGALOS

Excellent contribution in Science. Amy always asks innovative questions, much above her age level, showing the extra research she has been doing at home. She is extremely gifted in the subject, which is clear from her passion in lessons. Not only does she go above and beyond expectations every lesson, she also helps her fellow peers who may be struggling with some of the work. I predict a bright future for Amy in whatever subjects she decides to pursue.

Congratulations Amy!

SEVDA MLADENOVA

Sevda's quality of work for each of her art projects have been outstanding. Her artwork looks like the work of an Art Foundation student. Her work ethic and talent deserve to be recognised. A very organised and enjoyable student to have in class.

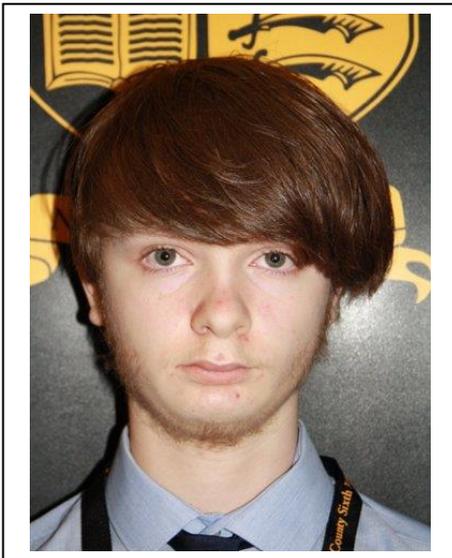

Congratulation Sevda!

MAGGIE YU

Maggie has produced excellent DT work since the start of September. Her design and making skills are excellent. She has made excellent progress considering she joined my class later this academic year. Her behaviour is exemplary, and she collaborates with her peers during lesson time.

Congratulations Maggie!

BEN EGAN

Ben started Media as a Level 2 student last year and worked consistently hard to achieve a Distinction for the course. He has now completed nearly a year of the Level 3 and has produced work which is of near professional quality. His passion for the subject is reflected in his work and he always goes the extra mile to read extensively around the subject.

Congratulations Ben!
