

Jack Petchey Achievement Awards 2021

The Jack Petchey Achievement awards are given every year to students who have done something that needs to be recognised and rewarded within our school community. The following students have been selected by their year teams to win an award for their achievements and dedication at school and they are all very deserving winners.

Vladyslav Gorea Ali, Year 10 Cambridge

Reason for award:

Vlad arrived at Edmonton County school in January 2020 with minimal proficiency of English. His attitude for learning has been always very high and it is very inspiring to hear all the high expectations he has in relation to his future. Even though, we all went into lockdown twice, Vlad continued attending the online lessons every day, completing all his work and for this reason, he has progressed immensely. Vlad is now preparing for his GCSEs next year. He understands that it is going to be very difficult, but his spirit and motivation are truly admirable. We are very pleased to nominate Vlad for this award.

Zunair Ahmed, Year 9 Bury

Reason for award:

Zunair joined our school as a part-time attendee as he was finding it very difficult to self-regulate his anxiety about coming to school and being in a new educational environment. Despite his difficulties Zunair applied himself relentlessly to his schoolwork and worked very hard at home to catch up with the lessons he missed, often doing extra challenging work. His hard work has paid off as he has achieved excellent levels in all subjects and his effort, attitude and behaviour have always been exemplary. In September 2021 Zunair decided that he was time for him to attend school full time as he felt more confident. He has attended full time ever since continuing to work hard and achieving outstanding levels of progress in all his subjects.

Well done to Zunair for all his hard work and courage and for being a valued full time member of ECS community!

Shenka Angelova, Year 9 Bury

Reason for award:

Shenka Angelova has worked extremely hard on her English language progress since arriving at ECS in January 2021.

She is a conscientious student and always takes pride in her work. When she arrived at ECS she was new to English and over the year she has worked hard and has progressed steadily to a Level B in Speaking and Writing; and Level C in Listening and Reading. Shenka has also grown in confidence and wants to continue to learn with the same eagerness throughout the rest of the years at ECS.

We are very pleased to nominate Shenka for this award.

**CONGRATULATIONS TO ALL THE WINNERS WHO WILL ATTEND
THE JACK PETCHEY AWARDS CEREMONY IN
THE SPRINGTERM 2022.**
