Educating our Community for Success

20th May 2022,

Dear Parent/Carer,

We would like to invite you and your child to the Year 9 Parents' Evening on **Thursday 9th June, 2022.**

This will be on-line event using School Cloud, which removes the need for you to attend school in person.

It is an important evening for you and your child, as you will have the opportunity to meet with your child's teachers to discuss their progress and attainment in the first year of their GCSE studies

It is crucial that you attend this meeting with your child to be fully informed of their progress, or any obstacles (if any) to their academic success. An email with your child's progress report will be sent to you in advance of the evening.

To make the most of the evening, the focus of the individual appointments will be:

- What the student is doing well.
- What the student finds challenging.
- What strategies/targets will help improvement.

In preparation for the evening, you will need to log-in to check you can access School Cloud at <https://edmonton.schoolcloud.co.uk/>. This will ask you for your details and your child's details. This is for security reasons. You will use the same link to book appointments with teachers.

Appointments can be made between 4.00pm and 6.50pm and will be 5 minutes long. The appointments will run for five minutes with each teacher you have made an appointment for and after the 5 minutes, the video call will cut out. If you are late for the meeting, the minutes you are late for are deducted from the 5-minute allocated slot. You will be able to log in and make appointments from **20th May 2022 until 10am on Thursday 9th June.**

You should make appointments with all the teachers who teach your child. Where there is a shared class, you will need to make separate appointments for each of the teachers.

In advance of the evening, you will receive an email with a time sheet, listing all the appointments that you have made.

If you experience any IT issues and are unable to log in or make appointments, please email the IT department on ECSParentEvent@edact.org.uk
