**103 CHILDREN-
ACHIEVING 148
PERFECT PURPLES**

The Girls Football team had their first ever matches this week in the Enfield League.

Please join us in congratulating the girls football team for their performance yesterday. They drew their first game with Galliard 0 - 0, but unfortunately lost 2 - 0 to Raglan in their second game.

Despite this, they played and fought extremely well considering that many of them had never kicked a ball at the start of this year.

The progress they have made is clearly noticeable with every game and training.

Well done!

Also thank you to Zach and Ja'vai for dragging their mums along and supporting the girls and Mr Stone for refereeing the match.

? What has my child been learning this week? ?

Year 6

In Maths the children have been looking at place value and problem solving questions. They had to use digit cards and statements to work out the number.

The children used the rods to make number patterns and then had to think about how to turn it into algebra!

The children made faces with the Cuisenaire rods.

Can you work out the value of the faces?

For English the children have been studying the book 'Wonderstruck' by Brian Selznick. They have written story openings and next week will be writing letters.

Lots of **green pen** editing!
