ABLE, GIFTED AND TALENTED

CELEBRATING THE BRILLIANT CLUB SUCCESS

GIFTED STUDENTS 'GRADUATE' FROM THE BRILLIANT CLUB

The Brilliant Club is a national award-winning, non-profit, organisation that aims to widen access to top universities for outstanding students. The Brilliant Club works in collaboration with several universities to give students in non-selective state schools a taste of university life and encourage aspiration to apply to the exclusive Russell Group universities.

Twenty three talented students from Year 9 were selected to take part in the programme and worked with a PhD university tutor on a Psychology project focusing on memory.

As part of the programme, the students visited St Catharine's College, University of Cambridge on 20th January and attended six tutorials before being set a 2,500-word assignment which was graded using university terminology.

Congratulations to Hazel Leigh who passed the assignment and awarded a First, five students gaining a 2:1 grade and six achieving a 2:2. Twelve students who've not yet submitted a final assignment to their tutor to be marked have no final grade **(they are still keeping submissions open for the foreseeable future)**

We were impressed with our students' focus and independence in completing their final assignment within the deadline. Their tutors were pleased with the dedication and commitment they showed and said they made incredible progress in such a short space of time.

We are immensely proud of them and see this as just the start of a very bright and successful future.

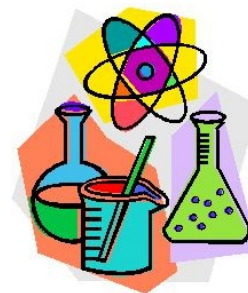

Well done to you all.
