**Eid 23/05/20 or 24/05/20**

This year Ramadan has a very different experience to a lot of you. Actually for once everyone around the world has practised Ramadan the same way; at home.

Usually Eid-ul-fitr is the big celebration where families come together to celebrate the month's achievement, having Eid prayer at the park or at the mosque and attending Eid celebrations such as “Eid in the park”.

Regardless of what's going on, Eid Mubarak to you and your family! Eat to your heart's content, flaunt your new outfits at home and have an enjoyable time with your loved ones!

## What do we mean by kindness?

Kindness is choosing to do something that helps others or yourself, motivated by genuine warm feelings.

Kindness, or doing good, often means putting other people's needs before our own. It could be by giving up our seat on a bus to someone who might need it more, or offering to make a cup of tea for someone at work.

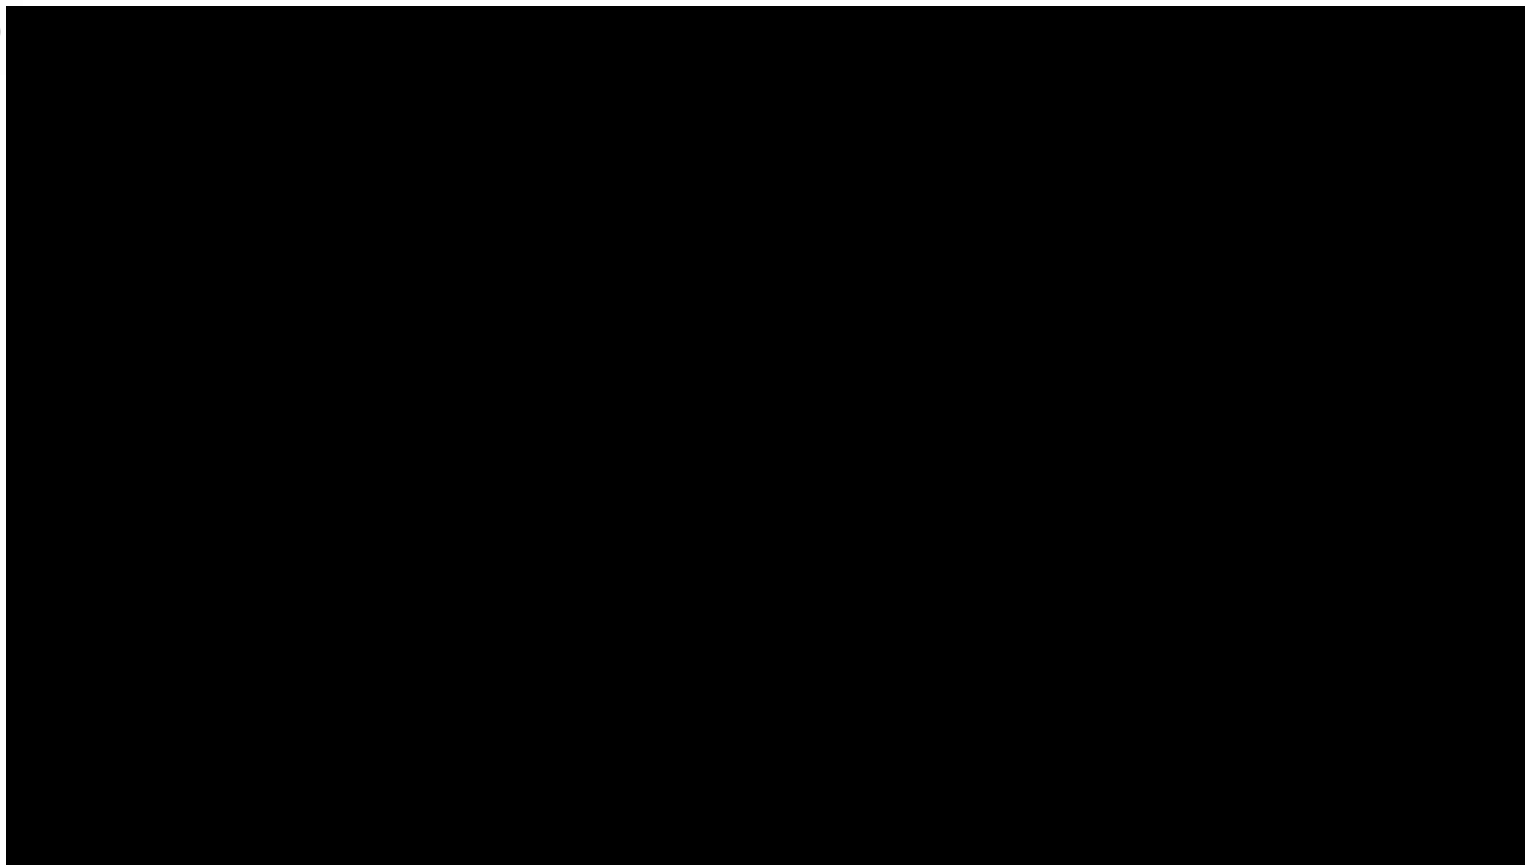

Evidence shows that helping others can also benefit our own mental health and wellbeing. For example, it can reduce stress as well as improve mood, self-esteem and happiness

## Transition Task

To ensure that you are developing the skills needed to have a successful transition from Year 11 to Year 12 in all subject areas, transition resources have been uploaded to the school website for all courses on offer at our Sixth Form: <http://www.edmontoncounty.co.uk/sixth-form/sixthform-curriculum/transition-tasks/>

These resources have been created by each department to give you an understanding of the course content, types of tasks you will be undertaking and help you make more of an informed decision for post-16 learning.

We strongly recommend that you take the time to work through these resources for the subjects that you have provisionally chosen to study next year.

Students that are considering alternative post-16 provision are still encouraged to complete the transition booklets that link to courses you are interested in doing elsewhere as it will still be of long term benefit.

HM Government

## Government Guidance

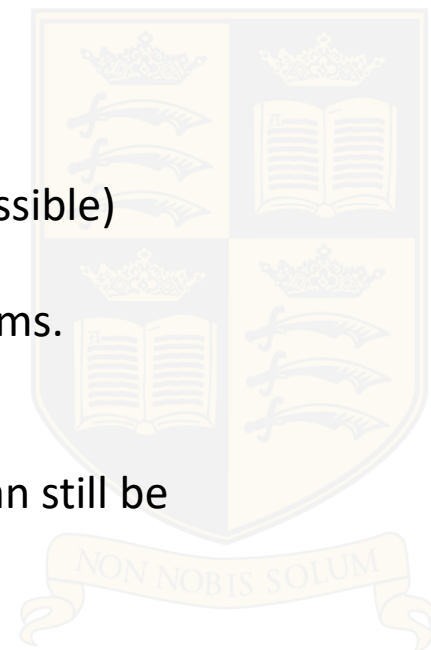

**Remember government guidance for Covid-19 prevention:  
*Stay alert***

We can all help control the virus if we all stay alert. This means you must:

- Stay at home as much as possible
- Work from home if you can
- Limit contact with other people
- Keep your distance if you go out (2 metres apart where possible)
- Wash your hands regularly
- Self-isolate if you or anyone in your household has symptoms.

Safeguarding:

If you need support at home, the school safeguarding team can still be contacted - details are on the school web site.
