Mini Greenhouses - Design and Technology Project

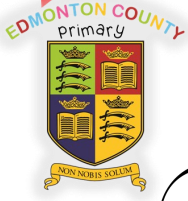

Miss Sheehan

UPDATE
Prev. in Issue 25

Year 3 finished their mini bamboo greenhouses and potted some seeds as part of our D+T and topic units this term.

The Queen's Platinum Jubilee Celebrations

From Monday 23rd May, our Queen's Platinum Jubilee celebrations begin! That week, each year group will be learning all about one decade from the Queen's 70-year reign!

- Year 6 - 2000s
- Year 5 - 1990s
- Year 4 - 1980s
- Year 3 - 1970s
- Year 2 - 1960s
- Year 1 & Reception - 1950s

The children will be partaking in a week of exciting activities all around their year group's decade - including playground games, art and music. Each class will be inviting their parents into school one afternoon that week.

Your child's class teacher will let you know which day this will be. We cannot wait to show you what we have been learning!

Thursday 26th May

We will be having a **whole school street party** in our playground (including an afternoon tea!). We would be extremely grateful if each family would bring in a donation towards our tea party. These could be individual cakes, biscuits, crisps, loaves of bread, sandwich fillings, drinks etc. *Class teachers will put up a poster near class exits for you to pick a donation to avoid many of the same item.*

Also on this day, we would love the children to come to school dressed in an outfit from the decade they have been learning about in an exchange of a £1 donation.

BBQ DAY

THURSDAY 26 MAY 2022
