Letter from the Head of School

Mr P Miller

Dear Parents and carers,

Enrichment Day Programme: Wednesday 16th November was our first Enrichment Day of the school year. This programme is an important part of the school's curriculum offer and allows us to deliver important learning in addition to the fortnightly cycle of lessons. It also provides students with opportunities to work with inspirational guest speakers and access the huge range of cultural experiences available in our vibrant city. The programme has 5 main strands:

- PHSCE, RSE & Careers
- Arts and Culture
- Study Skills
- Science and Our Environment
- Sport and Wellbeing

On Enrichment Day 1, Year 7 focused on staying safe and the transition to Secondary school; Year 8 focused on well-being and body image; Year 9 focused on healthy relationships; Year 10 were taught about the risks associated with drugs, alcohol and tobacco; Year 11 practiced exam techniques and study skills; Year 12 and 13 went on visits to a variety of universities.

Behaviour in the local community: It is important students understand that they are representing their school as they travel through the local community at the start and end of the day. As part of the school's code of conduct, all students agreed to:

- Behave in a manner that shows respect for the community and for one another

- Treat members of the wider local community with respect and consideration.

This is particularly important around the A10 terrace of shops which are well-used by the local community. Students are expected to be respectful and show consideration to shopkeepers and their customers. Students should be leaving this area by 3:30pm (Years 7-10, 12&13) or 4:30pm (Year 11).

Additionally, we expect students to behave in a manner that shows respect for other passengers on public transport. Please support the school in reiterating our expectations – anti-social behaviour will not be tolerated in our school or anywhere in our local community.

Important upcoming events are:

- Tuesday 22nd November - 5-6:30pm: Key Stage 5 Achievement Evening (Cambridge Campus)
- Thursday 24th November - 4-7pm: Year 11 Parents' Evening (Cambridge Campus)
- Year 11 Pre-Public Examinations (PPEs) start from Monday 5th December

Our Weekly Newsletter aims to provide our school community with news, updates, important announcements and key dates. However, if you do have any questions, please contact the school via info@edact.org.uk in the first instance.

Thank you for your continued support.

Paul Miller, Head of School

IMPORTANT EXAMINATION INFORMATION

Next Week:

Date	Start	Len	Component Title	Cands
Tues 22 Nov 2022	08:30	All Day	GCSE Art & Photography PPE Day 1	49
Wed 23 Nov 2022	08:30	All Day	GCSE Art & Photography PPE Day 2	49

The Week After:

Date	Start	Len	Component Title	Cands
Mon 28 Nov 2022	08:30	All Day	In Year Admission Tests	7 ?
Wed 30th Nov 2022	08:30	12:05	Year 11 Hospitality & Catering Practical (Bury)	20
Wed 30th Nov 2022	12:05	16:00	Year 11 Hospitality & Catering Practical (Camb)	23

IMPORTANT EXAMINATION INFORMATION**Pre-Public Examinations Three (Year 11) and Pre-Public Examinations 1 (Sixth Form)**

Below is the timetable for Year 11 PPE3 and Sixth Form PPE1 examinations; copies of which will be found in the exams sections on the school website and will also be displayed around school. Individual Candidate Timetables will be sent to students and parents through In Touch, so students will need to check their emails.

Students will be attending lessons as normal when not sitting an exam.

EXPECTATIONS FOR STUDENTS

- Make sure you check the seating plans posted in the playground in case there is a change of room for your exam (line up in the playground at least 15 minutes before the start time)
- Bring all the equipment you will need for the exam [black pens, pencils, ruler, calculator (where allowed), protractor, compasses]
- Full school uniform/smart business wear needs to be worn, with IDs placed on the exam desk
- Make sure you understand the rules
- Mobile phones/ watches, or any other product with potential technological/web enabled sources of information must be switched off and put in bags. **Any student found with such a device on them in an exam room will face disqualification from that exam**
- Any pencil cases taken into the exam room must be see-through
- Only small water bottles will be allowed into the exam room and must have all labels removed

You must not take into the exam room:

- notes
- a calculator case/instruction leaflet

Listen to the invigilators and follow their instructions during the exam.

Good luck with your revision and the exams!

Ms G Boniface

Examinations Manager

LITERACY NEWS

Last week, staff at ECS were treated to a visit and a talk by

Dr Leroy Logan MBE who is a former Superintendent with the Metropolitan Police and a former member and chair of the Black Police Association.

He is a very well-respected commentator on policing in black communities and believes that there is still a lot of work to be done in creating a fairer Criminal Justice System.

In 2020, Steve McQueen made one of his famous Small Axe films about Logan's story for the BBC. The film tells the true story of Leroy Logan as a young man who saw his father assaulted by two policemen and was motivated by this to do the opposite of what you might expect and actually *join* the MET! His reason for this was that he wanted to try to change their racist attitudes from within. This, as you can imagine, was far from an easy choice to make for Logan who was hated not only by the police officers he worked with, but also by his community who saw him as a traitor. However, as Logan explained to us during his talk, he always puts principle over popularity and this is not an easy thing to do!

As well as being the subject of the film which you can watch on BBC iPlayer, Logan has also written an autobiography called, "Closing Ranks: My Life as a Cop". I

was lucky enough to get my hands on a signed copy of this after the inspiring talk and am very much looking forward to reading it!

A big thank you to Miss Adekola for organising the event!

This year, instead of words of the week, we are going back to our roots looking at prefixes, suffixes and the roots of words.

More to come on word roots soon... watch this space!

Calling Staff and Students!

Mr Lister and I need **staff and some students** to record some very short videos.

All you have to do is **talk about a book** that you love for around 30 seconds. You might include:

- The title
- The author
- The genre
- A short synopsis
- Why you like it

These will be used as examples for an exciting new project we have coming up soon!

Please contact me or Mr Lister for more details!

Staff are reading...

**Ms Bozkurt is reading
Three Daughter of Eve by
Elif Shafak**

LITERACY TIP OF THE WEEK

- ◆ When have you put principle over popularity?
- ◆ When have you overcome difficult odds?
- ◆ Who inspires you and why?
- ◆

These are good discussions to have with other students, friends and parents.

Have a great week!

Ms L Portelli

She/her

Literacy Coordinator

Room C060- next door to the phase office
Please see Mrs. Cope for more details

CALLING GENERATION JUSTICE

"I thought I would have to do 150 times better than my colleagues just to get a fair shake. I was ambitious. The better I did, the more suspicious people were. With better representation in universities, in the justice system, things can be turned around."

Dr Leroy Logan MBE

GENERATION JUSTICE

LITERACY

Coventry University

The students learnt about the different courses available at the university which will help them make an informed decision about attending university.

They were able to participate a selection of different taster lessons including Law, Civil Engineering, Business, Digital Marketing, Architectural Design, and Technology.

Below are some photos of the sessions.

Law Taster Session where students were able to learn by participating in a court case and learning about how to become a lawyer.

Civil Engineering taster where students were able to see and use machinery they would use in the course and workplace, while also learning how to become a Civil Engineer.

Event

On the 23rd November 2022 a select group of Year 7 and Year 8 students will be attending the Richie Lecture at the Science Museum, where they will have the opportunity to learn about the different ways technology is being used to tackle the climate change and learn how the planet can be saved by learning about different sustainability methods.

Webinar

2022 Morgan Stanley Early Careers Amplify Trading Event - 7th December

An event is being hosted by Morgan Stanley in partnership with Amplify Trading for students in Year 12 & 13 who are interested in finding out more about the Sales & Trading Division via a live trading simulation.

Date: 7th December 2022

Time: 16:30 - 18:30

Location: Virtually via Zoom

Deadline: Registrations will close on 25th November at 23:59pm.

How to Apply: Interested students need to complete the registration form using the link below, they will also need to provide an up-to-date CV with the application.

[Register - Morgan Stanley Campus \(tal.net\)](#)

Miss G Pastore
Careers Guidance and Development Advisor

Your Invitation to

The
Richie
Programme

How to save the planet in **45** mins

A performance by
Dr Ken Farquhar

Annual Richie Lecture

Wednesday 23 November 2022, 10:00-14:15

Wonderlab: The Equinor Gallery

Science Museum, Exhibition Road, South Kensington, London, SW7 2DD

Who should attend: Students in Year 7 and Year 8 (with their teachers).

What's included:

Follow Dr Ken through a carbon busting sustainability show exploring the science behind the environmental campaign that encourages households to reduce, reuse and recycle and how this links to pollution and climate change. Will he avoid being blown up by a rotting banana? Will he be distracted by fantastic plastic?

Can he find other uses for a drinks can, reduce his carbon footprint and affect climate change one tree at a time? He may well be talking rubbish, but it will make sense!

As well as the show, there will be an interactive quiz and an opportunity to experience the Urenco sponsored **Wonderlab: The Equinor Gallery**.

How to sign up: Places are limited, so to ensure as many schools as possible are able to participate we will operate on a first come first served basis and each school is welcome to bring 32 attendees (including teachers).

Please email richie@urengo.com with the number of students and teachers by Friday 4 November 2021.

COMMUNITY NEWS

Breakfast Club

A **FREE** breakfast club for people over 50 and in a friendly and warm space.

If you can't stay, you can take it away.

We also will be offering information & advice about:

- Healthy eating
- Keeping well & warm
- Health conditions

Every Thursday
9.30am - 12.00noon

The Nest Community Hub
Nightingale Road,
Edmonton N9 8BF

Evening and Weekend GP Appointments at GP hubs

Evening and weekend GP appointments are available seven days a week at GP hubs in Enfield. This article contains everything you need to know to book an appointment.

Evening and weekend GP appointments are available seven days a week at GP hubs in Enfield.

GP hubs are staffed by experienced GPs and nurses and offer assessment and treatment for adults and children with minor injuries and illnesses.

Both routine and same-day appointments are offered, subject to availability.

Appointments take place by phone, video, or face to face – depending on your clinical need.

There are four GP hubs in Enfield. Anyone who is registered with an Enfield GP, or lives in Enfield but hasn't yet registered with a GP, can request an appointment at any of the locations.

Call 03000 333 666 to book an appointment.
