

Letter from the Head of School

Mr P Miller

Dear Parents and carers,

We are now at the end of another busy and productive term. Sadly, we are saying goodbye to a small number of staff at this time. I would like to thank Mr A Azhar (Assistant Head of History), Mr A Williams (Head of Art), Ms J Tay (Science teacher) and Ms Montgomery (R&L teacher) for all their work for ECS and our students, and I wish them the very best for the next stages in their careers. After the Easter break we will welcome some new staff to our teaching team, who I will introduce in my next newsletter.

Conduct reminders:

All the evidence shows that strong partnerships between parents and school staff have a positive impact on a child's progress and helps them to feel good about school and their education. Therefore, it is essential that parents' / carers' support the school in applying our code of conduct for students:

Every member of the school community has the right to feel that they are in a safe and secure environment. Teachers have the right to teach, and students have the right to learn. All students agree to:

- Attend school punctually
- Wear the correct uniform at all times
- Behave in a manner that shows respect for the community and for one another
- Work hard and enable others to work hard too
- Work cooperatively and to the best of their ability
- Do as they are asked and behave with dignity at all times
- Follow instructions the first time, every time
- Treat members of the wider local community with respect and consideration.

I would also like to remind parents / carers that we have a clear policy for the conduct of parents/carers and visitors. In particular we expect parents/carers and visitors to:

- Sign, date and abide by the terms of the home-school agreement found in students' Learning Journals
- Respect the ethos and values of our school
- Understand that both staff and parents/carers need to work together for the benefit of children
- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour
- Correct their own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour
- Approach the school to help resolve any issues of concern, initially by contacting their child's class teacher.

The full policy can be found at:
