

Dear parents and carers,

When I last wrote to you, we had recently heard about the terrible situation in Turkey and Syria following the earthquakes in the region. We are aware that many of our families have family members and friends who have been injured, and in some cases have lost their lives. Our response plans included:

Events to raise money for the charities supporting the response to this disaster:

- Holding a non-uniform day for students and staff on Friday 10 February
- Holding bake sales organised by Sixth Form students and the Primary Phase
- Setting up a Just Giving page for members of the school community to donate money

Providing information, support and guidance for all students:

- Talking to all students in tutor times about what has happened, why, and how we can all help
- Providing support for individual students and their families via our counselling team and Family Support Coordinators.

I am proud to say that our school community has pulled together and raised nearly **£5000** which will be donated to the Disasters Emergency Committee Turkey-Syria Earthquake Appeal [www.dec.org.uk](http://www.dec.org.uk).

You may already know that the Disasters Emergency Committee (DEC) is an umbrella group of UK charities that coordinates and launches collective of appeals to raise funds to provide emergency aid and rapid relief to people caught up in disasters and humanitarian crises around the world – member charities can be found at [www.dec.org.uk/member-charities](http://www.dec.org.uk/member-charities)
