Letter from the
Head of School

Mr P Miller

Dear Parents and carers,

Matilda! Last week we held our first school production for several years (largely due to the disruption caused by Covid), and what a success it was! I hope you were able to see the show and enjoy fantastic performances from an amazing cast. My congratulations go to all the students and staff involved. Ms Hilliker, Head of Performing Arts, is already starting to think about next year's production...

Public Examinations: Next week sees the start of written GCSE exams for Year 11 students (practical exams are already underway!), alongside AS Level exams for Year 12 students. A Level exams start shortly for our Year 13 students. All these students should have received their exam timetables. Teachers and students have worked exceptionally hard to prepare for these examinations, and I am sure you will join with me in wishing them the best of luck. A few reminders for parents / carers of all students:

- If your child normally receives additional in-class support this may, on occasion, be disrupted by exams. We will try our best to support all students but our experienced teaching assistant team will sometimes be required to manage 'exam access arrangements' for those who need them.
- Some PE, Library and practical lessons will be disrupted as we will sometimes be using these spaces for exams
- Movement around the building will be more complicated as we close corridors due to exams – it is important that all students are aware and respectful of the calm and quiet that those sitting exams need.

Year 11 students will shortly be receiving schedules detailing the pre-exam revision sessions that will take place during 'period 6' lessons, on Saturday mornings and over the half-term break. Further revision sessions will be scheduled to ensure students are supported right up until the last exam for each subject.

We appreciate this can be a stressful time for Year 11-13 students, and we will do all we can to support them. In the first instance, students or parents should contact student managers with any concerns so that we can provide the most appropriate support.

Students in other year groups will also be starting to prepare for assessments and end-of-year exams. It is important that teachers and parents / carers work together to encourage all students to keep up those good habits of high attendance, good attitude towards learning and completing homework right up until the end of the school year.

Attendance and punctuality: There is a very strong link between a child's attendance at school and the exam grades they achieve. Please help us secure the best possible progress for your child by ensuring they are in school, and on time to school. We expect at least 96% attendance for all students. Any student arriving after 8:25 is late to school and is likely to receive a 30 minute after-school detention that day. A reminder that the school will not give parents / carers permission to take their children out of school for family holidays during term time.

Upcoming events and important dates:

- Written public examinations start from Monday 15 May
- Tuesday 16 May: Year 7 Parents' Evening - now on our Bury Campus
- Monday 29 May – Friday 2 June: half-term break – school closed
- Monday 5 June: school reopens after the half-term break.

Our Weekly Newsletter aims to provide our school community with news, updates, important announcements and key dates. However, if you do have any questions, please contact the school via info@edact.org.uk in the first instance.

Thank you for your continued support.

Paul Miller, Head of School

POLITE NOTICE: RE: Parking on and around Little Bury Street

Please could drivers be considerate of local residents, pedestrians and other parents/carers when dropping off and picking up students from school, and refrain from illegally parking on pavements, zig-zag lines and across driveways. We have received a small number of complaints from local residents about inconsiderate parking in this area. **Blocking the roads and parking on yellow lines means you are putting pedestrians and other road users at risk as it narrows the road and obstructs other drivers or emergency vehicles from getting through.**

Please help keep our children and the community safe
